

MARKED COPY OF THE CLAIMS

Claim 1 (previously presented). A biologically active extract comprising a fractionated extract from *Napoleonaea imperialis*, wherein said extract is obtained using an organic solvent, and wherein said biologically active extract is saponin-enriched and exhibits therapeutic anti-leishmanial activity.

Claims 2-10 are cancelled.

Claim 11 (previously presented). A biologically active extract according to claim 1, wherein said extract is obtained directly from solvent extraction of powdered seeds of *Napoleonaea imperialis* utilizing said solvent.

Claims 12-29 are cancelled.

Claim 30 (currently amended). A biologically active extract according to claim 1, wherein said solvent is methanol, and wherein said extract is obtained directly from solvent extraction of powdered seeds of said plant utilizing said solvent.

Claims 31- 37 are cancelled.

Claim 38 (previously presented). A biologically active extract according to claim 11, wherein said solvent is methanol.

Claims 39 and 40 are cancelled.
